Subject: Proposed AE meeting on June 21- combine with regular June 16 monthly meeting?

Hi Janel,

We were discussing the meeting proposed by Ken Harris for 3-5 pm on June 21 in Bakersfield, and the suggestion from EPA Region 9 is that this meeting be combined with the regular monthly UIC meeting for the month of June. The monthly meeting is presently scheduled for June 16, but if Ken is going to be in Bakersfield, and since Mike Montgomery will also be there, perhaps the meeting can take place on the 21st during this time slot? Would you kindly run this by DOGGR HQ and Water Board folks and let us know? There would need to be a conference line arranged for the folks that are not going to be in Bakersfield.

Thanks, Michele
